Proof of Claim No. 68955

Filed October 18, 2018
Camp Fire

Judge: Honorable Dennis Montali

Objection, Reservation of Rights, Objection to
The Plan, Fire Victims Trust and Irregularities of
Voting Procedure

I am a Camp Fire 2018 victim claimant and creditor in this Chapter 11 case. I am making these objections prior to the deadline to object to PG&E's plan at 4pm on May 15 2020. I object to the Plan, the Fire Victims Trust, and Irregularities in Voting Procedure.

I repeatedly asked for The Plan, and all documents relating to this case, be sent to me in writing. I emailed, called and wrote numerous times to Prime Clerk and to the Bankruptcy Court. On or about May 5, 2020, Prime Clerk emailed me to tell me my copy of the Plan, The Fire Victims Trust, Voting Procedures, etc. were mailed. On May 11, 2020, I again emailed Prime Clerk and copied in the court, a couple of Senators, the Public Relations Office of Governor Newsome, Judge Montali, and again asked for hard copies of all documents relating to this Plan so I can review, read, study, and make an intelligent informed decision on my vote. Later that afternoon the Prime Clerk emailed me 9 documents in pdf form. There is no time for me to adequately vote on this plan. See Docket #7186 Motion to Stay Voting Deadline by Mary Kim Wallace.

1 The irregularities regarding my vote is not receiving information that others received starting
2 April 1, 2020. And not receiving adequate time to make an informed decision. Please see docket #
3 7194 "Garrison Objection to Proposed Reorganization Plan", and docket # 7186 "Second Notice of
4 Voting Procedure Irregularities".

5 Arguments are ongoing and as of May 15, 2020, the hearing heard by Judge Montali, are
6 arguments regarding the Fire Victims Trust Claims, and a claimant's ability to receive a remedy if
7 part or all of the claim is denied. Attorney are still arguing over the Fire Victim Trust plan as I type
8 this at 5/15/2020, 12:32 pm, as I signed up for the zoom meeting. It appears they don't even agree to
9 the Fire Victims Trust Plan, although I am supposed to vote on something that has not been approved
10 by the attorneys?

11 I object to the Fire Victims Trust being able to deny our claims, and if denied our recourse is
12 to appeal administratively. If denied administratively, there is no other recourse. And furthermore, if
13 I received a partial payment, once payment received I have agreed to hold the Trust harmless if they
14 decide not to fund the rest of the claim.

15 I object to The Plan, that from the limited information I have, I have to agree to Hold PG&E
16 harmless if The Plan is voted yes. I object that the yes vote will deny my no vote any optional recourse
17 to my claim, i.e. having my day in court!

18 I object to lack of full disclosure as to this, The Plan and Fire Victims Trust, in that it has not
19 been revealed exactly how our claims will be paid, and that the Fire Victims Trust has the ability to
20 change this plan of disbursement and valid claims at any time they wish. How could a reasonable
21 person agree to a plan that could change without their input? I object. I am writing this under threat,
22 duress and coercion.

23 I declare under penalty of perjury that this Objection to Plan and Fire Victims Trust based
24 upon Irregularities of Voting Procedure is true and correct to the best of my ability.
